On Thursday, May 29, 2008, **Step Up Women's Network** will host its annual **Inspiration Awards** gala, celebrating 10 years of service to women and girls. We will be honoring outstanding leaders who have made a tremendous impact in making resources available to women and girls in our community. Past honorees include Geena Davis, Anne Hathaway, Kym Hampton, and Atoosa Rubenstein. 2008 honorees will be announced in March.

The 2007 Inspiration Awards were hosted by Ivanka Trump and Jessica Alba.

The Inspiration Awards gather the New York elite and Step Up members to celebrate philanthropy and the importance of cultivating a new generation of women leaders. This year's event will be held at the exclusive IAC headquarters, designed by world-renowned architect Frank Gehry. The evening includes a seated dinner, an awards ceremony, performances by our teen girls, a luxury silent auction, and a wine tasting event. We expect more than 600 guests to join us for this special evening.
