Inspiration Awards
BEVERLY WILSHIRE, BEVERLY HILLS, JUNE 1
Stars Sanaa Lathan, January Jones, Julie Bowen and Garcelle Beauvais and ABC Entertainment prez Channing Dungey were among the speakers at the women’s empowerment Step Up event, which honored Regina Hall. Dungey received a standing ovation when she came onstage, and Bowen saluted her for not tolerating “racism and heinous behavior at ABC” — in reference to the network’s cancellation of the series “Roseanne.”
